Pick-Up Policy

Pick-up time is between 2:45pm and 3:00pm. Parent/Emergency Contact must sign in and sign out campers. ID is mandatory. Absolutely NO drop-offs or pick-ups are allowed without a parent/guardian signature.

If you are running late, please let us know as soon as possible over the remind app, or by contacting the office at 570-426-1512. While we understand that unexpected things can happen, we need communication from you.

Camp staff will reach out to parents and emergency contacts of a child if they are not picked up by 3:00pm. *Repeated and/or uncommunicated late pick-ups accrue a fee of \$20 after 15 minutes, and an additional \$20 per additional half hour. A camper cannot re-enter camp until fees are paid. If the child is not picked up within one hour, and we cannot get in touch with the parent to organize a timely pick-up, the Camp Manager will have to call the Stroud Area Regional Police Department.*

In contrast, if you give us a day's notice, the daily after care rate is only \$12 per day.

Early pick-up is possible. A letter of dismissal at the beginning of the day, handed to the counselor or site supervisor, helps speed up the early pick-up process, as we can check the schedule and prepare the camper for pick-up.

SROSRC Camp Structure

Campers will experience fun activities based on weekly themes. Campers are to be prepared for both indoor and outdoor activities, including pool time each day. *Swimming activities may not take place every day due to unforeseen circumstances.

The Camp Manager oversees the entire camp. Each location has a Site Supervisor who supervises the staff and the daily operations. The Assistant Supervisor at each site oversees the Leaders-in-Training program. Counselors implement the daily activities and special events in their group and with other groups within their site.

Camp staff participate in an orientation and trainings, have valid clearances, and are certified in First Aid and CPR. It is our goal to provide a safe environment for each camper to have fun. Our camp staff serve as leaders and we expect them to demonstrate appropriate behavior as a positive role model for our campers. We have the same expectation for LIT's to demonstrate appropriate behavior for the younger campers.

Camp may be cancelled due to severe weather or emergency conditions. Parents/emergency contacts will be called to pick up their child/children.

If a concern arises, please speak to your child's Counselor first, if possible. If the situation requires it, parents are welcome to speak to the Site Supervisor. Parents can also reach out to the Camp Manager as needed, or call the office at 570-426-1512.
